

2018 Sponsorship Opportunities

This year we have decided to combine our sponsorship opportunities into one.

We hope this is more convenient for you and your business and will allow you to better budget your promotional charity donations. Rather than approaching you multiple times this year, when you choose to sponsor the KDHF Corporate Golf Classic in Memory of Harry Pratt, you will automatically be listed as a sponsor of our Casino Night!

The 2018 Corporate Golf Classic will be held in memory of our dear friend, Harry Pratt. The Tournament will again be held at the beautiful eQuinelle Golf Course on June 22nd. The KDHF Foundation raises funds in support of the priority needs of the Hospital. Over the past 10 years, funds raised through this tournament have impacted thousands of people's lives in our community and beyond.

The North Grenville Municipal Centre will be transformed into Las Vegas for the night, complete with professional tables and all your favourite Casino games including roulette, craps, poker and blackjack.

Come have fun while supporting your community hospital!
