

Estate of Mr. Richard H. Sylvester

The KDH Foundation was honoured to receive a very generous bequest from the Estate of Mr. Richard H. Sylvester in the amount of \$307,929.93, who passed away in 2018. His partner Diane Keenan of 43 years (pictured below, third from left) and her family were invited to KDH for the unveiling of a plaque that was installed in Richard's memory. These funds are being used to purchase new equipment for the Hospital.

Message from the Chair

I wanted to take this opportunity to thank the hundreds of people who made a donation to the Kemptville District Hospital Foundation this year. We welcomed many new donors and benefitted from a number of events organized by members of the community. For example, the #DonateforDustin Memorial Golf Tournament and the Tim Hortons Smile Cookie Campaign.

It is gratifying to see that even in challenging times our community continues to support KDH.

The Foundation is very excited to be planning for a major campaign to raise funds for a new CT scan. I look forward to sharing more details with you in the new year.

Wishing you and your family all the best for a happy and healthy 2023.
Warm regards, Margret Norenberg

New Gowns for KDH Mammography Program!

The KDH Foundation recently purchased new gowns for the Mammography program at the hospital. The shorter robe makes it easier for our technicians to perform mammograms and is more comfortable for our patients.

Thank you to the team in Diagnostic Imaging for all of their great work!

#DonateForDustin Golf Tournament Raises \$8,600

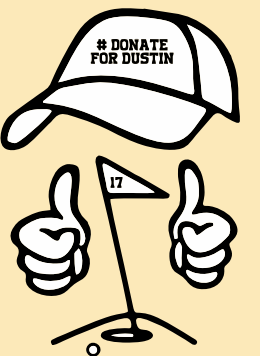

Judy Littau, representing both the Littau and Virgin families, presented the KDH Foundation with a donation of \$8,600.00. The funds were raised through the #DonateForDustin Golf Tournament held this past June in Dustin's memory.

The annual golf tournament brings awareness to the lifesaving act of donating blood and the importance of stem cell registry.

As requested by the families, the funds will be designated for the acquisition of a CT scan at KDH.
